RULES COMMITTEE:

Dr. Cheeks presented the report for the Rules Committee. Dr. Bloodworth moved to accept the committee recommendations. Dr. Davis seconded the motion and it carried unanimously.

The committee considered changes to be made to rule 360-3-.02(6) regarding Telemedicine to provide that the rule shall not prohibit a patient's attending physician from obtaining consultations of or recommendations from other licensed health care providers. Dr. Hill moved that the committee submit the proposed changes to the Board for consideration. The motion carried unanimously.

The committee considered revisions to the previous draft of rule 360-3-.02 (21) regarding a physician entering into an arrangement with a physician's assistant, nurse practitioner or other supervised health care provider where said supervised health care provider evaluates the performance of and establishes

July 14, 2005

the salary for the supervising physician. However, said rule shall not apply to a physician who can establish that certain conditions are met that will prevent the exertion of undue influence by the supervised health care provider. The committee also considered similar revisions to rule 360-5-.07 regarding limitations upon the use of Physician's Assistants. Dr. Woolery moved that the proposed rules be submitted to the Board for consideration with the deletion of proposed new paragraph (3), The motion carried unanimously.

The committee considered revisions to RCP rules to provide for prorating CEU credits during the transition to birth-month renewals. Dr. Woolery moved that the proposed revisions to /RCP rules 360-13-.07 and 360-13-.10 be submitted to the Board for consideration. The motion carried unanimously.

The committee received for information the Office of the Attorney General's Office review of the birth month renewal rules, which found that the proposed amendments are authorized.

Dr. Davis moved to disclose only the month of birth of all current and future licenses for limited purpose of license renewal and to post the proposed rules. Dr. Bloodworth seconded the motion and it carried unanimously.
